**Re: Acknowledgement Donation for Nokuphila's OVC Program**

On behalf of the Nokuphila Community Services Board and our beneficiaries, we would like to extend our profound gratitude to Springs Bus Service for sponsoring our orphans and Vulnerable Children (OVC) since from 2005.

**Our OVC program comprises of:**

- ❖ Early Childhood Development (ECD) program which caters for 110 children (ages 2 to 6 years) mainly from families that are affected by HIV/AIDS and some of these kids are also infected with HIV.
- ❖ Drop-In Centre program which provides support programs including meals to 291 school going children (ages 7 to 18 years) who are HIV/AIDS orphans from child headed families or from granny headed families. These children are left vulnerable to abuse and other risks such as rape, drugs, alcohol abuse and prostitution.

Your donation has made a long way in making a difference to these children who are the future of the community they are drawn from. Through your help we managed to transport our children for specialized functions and events. Our OVC's are truly grateful that you responded to their need in this way.

Regards
